

Summer 2017 Newsletter

Take a look at some of the exciting things going on here at The Mosaic Center!

Congratulations Class 24!

We just celebrated the graduation of Class 24! These ladies worked very hard in our 12-week Core Program. In addition to receiving their Mosaic Graduation Diploma, they also received Jobs and Life Skills Completion Certificate, CPR Certification, and their Food Handler's Certificate. Pray for these women as they continue their education and search for jobs.

Front Porch and Parking Lot Renovation

For safety and security purposes, The Mosaic Center is remodeling our porches and parking lot. Thank you to the TLL Temple Foundation, The Pineywoods Foundation, and our generous donors for making this possible! Thank you, Jerry Martin, Martin Concrete, for doing such a superb job!

Hearts for Hope Recap

Hearts for Hope, hosted at Pitsier Garrison Convention Center March 28, was a huge success! We packed the house with a sold out crowd of over 450 guests. David Calhoun, with Texas Custom Catering, outdid himself with his incredible Chicken Fried Steak dinner. Everyone was moved by the testimony of Amanda Johnson, Class 20 Graduate. Guests enjoyed the variety in our Live Auction, Dessert Auction, Silent Auction, and Rose Table. The Lord allowed us to reach our goal of bringing in approximately 1/3 of The Mosaic Center's annual budget. Thank you to all who came out, donated, and prayed for this event!

Staff Update

The Mosaic Center welcomes new staff members Paige Pate and Jessica Grenier! Paige joined the staff as Assistant Program Director in January 2017, and Jessica joined as Marketing and Communications Coordinator in September 2016. If you haven't met them already, be sure to come by The Mosaic to shake their hand!
